## WEDDING CEREMONY OF ALLYSON AND DAVID, Coronado Beach Wedding

On behalf of Allyson and David, we welcome you here to Coronado Beach  
to celebration your union with your friends and family.

As you know, we are here to celebrate the marriage of two special friends,  
more than a ceremony and a celebration, this is a significant moment of  
personal commitment.

The essence and body of this commitment is the taking of  
another person in their entirety, as a whole person to share as a  
your companion and your friend.

It is therefore a decision which one does not enter into lightly,  
or without great consideration

It is with great consideration and respect you come  
here to be joined as husband and wife.

You will today make promises to each other.. in front of your friends and family gathered  
here to witness this momentous occasion. One of the happiest days of your life. A day  
that will bring a smile to face when you remember standing here, against the sea and  
wind promising to love one another forever.

From this day forward you will make a promise that brings you closer than ever before.

You will promise to love one  
another in sickness and in health, for  
better and for worse, through the good and the not so good..

Your love for  
each other will give you the strength to support one another, and also be able  
stand apart to seek your unique destinies.

Please join hands  
David, will you take Allyson to be your wife?  
Will you commit your life to her,

embracing all joys and sorrows, all triumphs and hardships.  
Will you be there for her when she needs your support. I will  
Allyson, will you take David to be your husband? Will you  
commit your life to him, embracing all joys and sorrows,  
all triumphs and hardships.  
Will you be there for him when he needs your support. I will

Do you have rings to exchange?

These rings are an outward sign of the commitment  
you have come here to confirm and to celebrate.

David as you place the ring on Allyson's finger,  
please repeat after me:

With this ring I thee wed, I give you this ring as a  
sign of my love and faithfulness.

May all that see know that you have been  
touched by my love.

Allyson as you place the ring on David's finger,  
please repeat after me:

With this ring I thee wed, I give you this ring as a  
sign of my love and faithfulness.

May all that see know that you have been  
touched by my love.

May you love deeply, laugh heartily,  
practice patience and smile  
often. May you dream together, grow, be crazy,  
give, give in, and trust enough to take.  
May you see many sunrises, listen to the rain, savor special  
moments and rediscover  
each other over and over. May you have health, happiness  
and a lifetime of rich adventure.

By the power vested in me by laws of the State of California,  
I now pronounce you husband and wife!  
You may seal your vows with a kiss!  
I present to you David and Allyson as husband and wife!

We hope you have enjoyed the ceremony sample
